Dear Sir:

STATINTL [REDACTED] an employee of this Agency, has been taking evening courses at the Georgetown University School of Foreign Service under provisions of the Servicemen's Readjustment Act. Ordinarily, he would continue the courses this fall.

STATINTL [REDACTED] recently received a special assignment, in connection with his official duties, beyond commuting distance of Washington, D. C. This assignment will continue for the next few months. Under these circumstances, it will be impossible for him to pursue any courses at the Georgetown University this fall. Consequently, permission for [REDACTED] to defer his V. A. sponsored educational program until the 1952 Spring Semester is hereby requested.

STATINTL Favorable consideration of this request will be deeply appreciated. I assure you [REDACTED] inability to continue training under the Servicemen's Readjustment Act this fall is due entirely to an official decision over which he had no control.

Very truly yours,

/s/

Acting Personnel Director
